

Change of Doreen Primary School Parent Facebook Group

School Council has motioned that we start a new Parent Facebook group and request that all members of our current group transfer over.

Step 1. Leaving original group

Go into current group (now named Doreen Primary School News) and remove yourself from this group by choosing the “Joined” drop down box on right of screen and then “Leave Group”.

Step 2. Joining new group.

Search for new parent page – DPS Parents Group

Or follow this QR code

DPS Parents Group

Request to join this group and answer the required questions, and you will be approved by admin.

If you have already joined the new group without exiting from the old one could you please do so.

We are hoping to have the original group closed down by the start of term 3 so could you please do this at your earliest convenience.

Thank you for your co-operation.
