VISION

Doreen Primary School's vision is to provide and foster an environment that provides children with opportunity to reach their full potential, no matter what challenges they face.

MISSION

Doreen Primary School's mission is to provide children with the skills and attitude that will mean they are lifelong learners. It also recognises that academic learning and growth are not the only measures and needs a child will need. The Arts, Sport, ICT skills and Leadership are also important components of a child's development.

OBJECTIVE

At Doreen Primary School, our aim is to provide a safe and supportive environment for the whole school community that encourages independence in social and academic situations; fosters positive risk taking; develops and nurtures resilience; provides an environment

where both positive and negative consequences of actions are respected; values respect for all members of the community; fosters the notion that a student's best efforts are an achievement they should aim for and be proud of; and includes all stakeholders in decision making.

VALUES

Doreen Primary School's values are the foundation for developing a culture at this school, and are a product of students, parents and staff all contributing to a request for their thoughts. This process means the school community feels valued, safe, listened to, and part of the school's rich fabric:
